Bio

With releases on such labels as Purified and POLYPTYCH, Initial Eyes is finding his place in the progressive, melodic house & techno world. Hypnotic melodies and basslines made for the dance floor combine with ethereal chords and soundscapes to take the listener on a journey.

The project was launched at the beginning of 2020 upon which he released a flurry of tracks on his own Electric Impulse Recordings imprint and began to garner attention from his peers and news outlets. He made his festival debut performing at the Elements Festival Sound Camp and has a 4-track EP releasing on June 30th, 2022 under his own imprint, Electric Impulse Recordings.
